HIS HONOUR the Lieutenant-Governor in Council has been pleased to cancel the Regulations for carrying out the provisions of the “Coal Mines Regulation Act,” dated the 15th day of January, 1902, and to issue the following Regulations, which shall come into force forthwith.

By Command.

RICHARD McBRIDE,
Provincial Secretary.

REGULATIONS UNDER THE “COAL MINES REGULATION ACT AMENDMENT ACT, 1901,” AND THE “COAL MINES REGULATION ACT FURTHER AMENDMENT ACT, 1904.”

CONSTITUTION OF BOARD.

1. Each member of the Board of Examiners shall be entitled to vote at every examination.

2. Each Board shall, within ten days of its formation, meet and elect from its members a Chairman, who shall preside at all examinations and meetings of the Board.

3. The person appointed by the Lieutenant-Governor in Council to serve on each Board shall act as Secretary thereto, and keep minutes of all proceedings, record of all candidates for and results of examinations, issue certificates of competency, and forward the prescribed returns to the Department of Mines. He shall also attend to all correspondence of the Board and answer all inquiries made to him regarding the affairs thereof.

4. The owner or manager of each colliery shall, on or before the first day of December in each year, forward to the Department of Mines, upon the prescribed form, notice of the person nominated by him to act on such Board. He may also nominate two other persons as alternates to act in the absence of the member nominated by him. In the event of such nomination not being made the Minister of Mines may appoint one member to act on behalf of the owners of the colliery.

5. At each election for the coal miner member of a Board there shall be two alternates appointed who shall be the two candidates receiving the next highest number of votes to the one elected. One of such alternates shall act upon such Board in the absence of the elected member.

6. In the event of any one or more of such elected or alternate coal miners ceasing to be employed in the colliery for which he or they were elected or appointed, he or they shall, ipso facto, cease to be members or alternates as the case may be.

7. As soon as possible after a Board has been constituted there shall be published in the British Columbia Gazette, and in a newspaper circulating in the vicinity of the colliery, a notice giving the names of the persons constituting such Board and the alternates. The name and the post office address of the Secretary shall also be contained in such notice, to-

gether with an intimation that all persons requiring information as to the conduct of examinations shall apply to the Secretary of the nearest Board.

8. The members of the Boards first constituted shall enter upon their duties on the first day of March, 1902; thereafter each Board shall enter upon its duties on the first day of January. All Boards shall continue in office until the first day of January next ensuing, or until successors are appointed or elected.

9. A Board of Examiners may be formed, by permission of the Minister of Mines, at any colliery where its constitution may be rendered necessary, after the regular date of formation in any year, but if such Board be constituted after the 1st September such Board shall hold office until the 31st December next ensuing and for one year thereafter.

10. If, from any cause, a full Board cannot be constituted at any colliery from the regularly elected and appointed members and alternates the vacancies may be filled by the Minister of Mines.

ELECTIONS.

11. The first election of coal miners as members of the Boards of Examiners shall take place on the 15th day of February, 1902; thereafter such elections shall take place on the second Saturday in December in each year.

12. One week before the date set for each election the owner or manager of every colliery at which a Board of Examiners has been constituted shall forward a list, certified by him to be a correct one, of the coal miners actually working in the colliery. Only the persons named on such list shall be entitled to vote at the ensuing election.

13. All candidates at such election shall be nominated in writing by at least two coal miners working in the colliery, and such nomination, together with the candidates' acceptance thereof, in the prescribed form, shall be delivered to the Secretary at least seven days' before the election. No coal miner whose name does not appear on the list furnished by the owner or manager shall be eligible for election to the Board. At least four days before the election the Secretary shall post notices of such election, together with the names of the candidates thereat, in at least three conspicuous places about the colliery.

14. All elections shall be by ballot and the Secretary to the Board of Examiners shall act as returning officer.

15. When any coal miner shall apply for a ballot the Secretary shall satisfy himself that the name of such person is on the list furnished to him. At any election after the first the Secretary may require any applicant for a ballot to produce his Certificate of Competency, and if such certificate be not produced no ballot shall be furnished to the applicant.

16. The election shall be held between the hours of two and six o'clock in the afternoon, at such place as shall be designated by the Secretary, and shall be conducted in the following manner:—

(a.) The Secretary, after satisfying himself that the applicant is entitled to vote, shall furnish him with a ballot on which shall be written or printed, in alphabetical order, the names of the candidates. The Secretary shall place his initials on the back of each ballot before handing it to the voter, and the voter, after marking same, shall fold it in such a manner that such initials shall be visible, and show the same to the Secretary before placing it in the ballot box:

(b.) The ballot box shall be sealed during the continuance of the election:

(c.) Each voter shall be entitled to vote for one candidate and no more, and shall vote by marking a cross opposite the name of the candidate for whom he votes. Any ballot marked for more than one candidate shall be void:

(d.) At the conclusion of the election the Secretary shall open the ballot box and proceed to count the votes. The candidate receiving the highest number of votes shall be declared elected, and the two receiving the next highest number of votes shall be declared alternates. In the case of any tie the Secretary shall have a casting vote:

(e.) Any candidate, or one person acting on his behalf, may be present at the counting of votes:

(f.) The Secretary shall forward the marked ballots to the Department of Mines, together with his certificate of the result of the election within three days after the same. Such ballots shall be destroyed at the end of thirty days if no dispute arises as to such election. If a dispute arises they shall be destroyed forthwith after its settlement:

(g.) In the event of any dispute arising as to the result or conduct of any election the matter shall be referred to the Minister of Mines, whose decision shall be final. He may order a new election or otherwise deal with the case as he may deem fit.

EXAMINATIONS.

17. Notice of the date and place of each examination shall be posted for at least seven days before the holding of the same, at three or more conspicuous places about the colliery. All candidates for examination shall give at least two days' notice to the Secretary and pay to him the examination fee of one dollar.

18. The examination shall commence on the day named and continue until all the applicants have been examined.

19. The result of each examination shall be certified under the hand of at least three examiners, in a book to be kept by the Secretary for that purpose, and a report thereof, in the prescribed form, shall be forwarded to the Department of Mines within ten days after the conclusion of each examination.

20. All certificates or testimonials presented by persons coming before the Board must be clear and satisfactory, and in case of doubt the Board may require additional confirmation or proof of the same.

21. Candidates shall produce their previous certificates of employment when presenting themselves for examination.

22. All fees paid in respect of examinations and certificates of competency under this Act shall be forwarded by the Secretary to the Treasury at the end of each month and shall form part of the Consolidated Revenue of the Province of British Columbia.

23. Examinations for Certificates of Competency as coal miners shall be *vivâ voce*.

CERTIFICATES OF COMPETENCY.

24. A certificate of competency as shot lighter, fire boss or overman shall carry with it all the rights and privileges granted to a coal miner by a certificate of competency as such, and the holder thereof shall be eligible for nomination and election as a coal miner member of any Board of Examiners or alternate, and to vote at any such election.

25. In the case of any person who claims to have lost his certificate of competency, he shall apply to the Secretary to the Board from which he received the same for a substituted certificate. The said Secretary, upon proof satisfactory to him of such loss, may issue such substituted certificate, endorsing upon the face thereof the words "Issued as a substituted certificate for No. _____, satisfactory proof of the loss of same having been given." Should any person not be able to secure such substituted certificate he shall be treated only as a new applicant and be subjected to examination. In the event of the Board of Examiners from which such lost certificate was obtained having ceased to exist, a substituted certificate may be obtained from the Department of Mines upon satisfactory proof of loss being given.

26. The charge for a substituted certificate of competency shall be fifty cents.

27. A certificate of competency may be cancelled or suspended for any length of time by the Minister of Mines should the holder thereof be convicted of any offence under any Act relating to coal mining. A person whose certificate of competency has been cancelled shall only be permitted to apply for a new one with the permission of the Minister of Mines.

28. A person may be employed as a coal miner in any colliery between the date of one examination and another, but he shall be forthwith discharged if a certificate of competency is not granted to him at the next examination.

PROVINCIAL SECRETARY'S OFFICE,
16th February, 1904.

HIS HONOUR the Lieutenant-Governor in Council has been pleased to make the following Rules, which shall have effect under the "Workmen's Compensation Act, 1902," with reference to any matter or proceeding for which Regulations may be made under the said Act, and generally for carrying the said Act into effect.

By Command.

RICHARD McBRIDE,

WORKMEN'S COMPENSATION RULES, 1904.

Preliminary.

THE following Rules shall have effect under the "Workmen's Compensation Act, 1902," (in these Rules referred to as the Act) with reference to any matter or proceeding for which Regulations may be made under the Act, and generally for carrying the Act into effect.

1. These Rules may be cited as the "Workmen's Compensation Rules, 1904."

2. The Rules shall be read and construed with the Supreme Court Rules, 1890, and any amendments and *addenda* thereto, and with any Rules substituted therefor; and also, so far as refers to the enforcement of any judgment, with the County Court Act and with the County Court Rules from time to time in force, relating to the enforcement of County Court judgments.

Parties to Arbitration before Arbitrator appointed by Judge.

3. When application is made for the settlement by an Arbitrator appointed by a Judge of any matter which, under the Act, is to be settled by arbitration, the party making such application shall be called the "applicant" and, subject to these Rules, all other persons whose presence at the arbitration may be necessary to enable the Arbitrator effectively and completely to adjudicate upon and settle all the questions involved shall be made parties to the application, and shall be called "respondents."

4. In any case in which both the undertakers, as defined by the Act, and the contractor with them are alleged to be liable to pay compensation under the Act, the applicant may, at his option, make both the undertakers and the contractor, or either of them, respondents.

In the construction of this and the last preceding Rule the term "dependants" shall include persons who claim to be dependants, but as to whose claim to rank as dependants any question arises.

18. Where any matter is to be settled by an Arbitrator, the Judge shall return the copy of the request for arbitration to the Registrar, with the appointment of such Arbitrator, to be transmitted to the Arbitrator, and the Registrar shall transmit the copy of the request and a copy of the appointment to the Arbitrator, who shall, as soon as conveniently may be, appoint a day and hour for proceeding with the arbitration. Such day shall be so fixed as to allow the copies of the request and particulars to be served on the respondents at least twenty clear days before the day so fixed.

19. The arbitration shall, subject as hereinafter mentioned, be held at such Court House as in the opinion of the Arbitrator, taking all the circumstances into consideration, shall seem proper: Provided, that where the arbitration is to be held at the place where the Court is held, the day appointed for the arbitration shall, if possible, be one on which suitable accommodation in the Court House will be available for the arbitration:

- (a.) Provided, that the Arbitrator may direct that the arbitration shall be held at any other place within the Province, on application in that behalf made by any party to the arbitration, and on such party filing an undertaking to provide, at his own expense, a place to the satisfaction of the Arbitrator in which the arbitration may be held, and to pay the necessary expenses of the Arbitrator and the officers of the Court attending at such place:

- (a.) Where the request is filed by an employer, the notices to be served on the respondents shall be modified by the omission of the words therein relating to the denial or admission of liability to pay compensation.

21. Service of any notice or document necessary to be served under these Rules must be effected personally or by registered post, in accordance with the provisions of sub-sections (4) and (5) of section 3 of the Act, with reference to the service of a notice in respect of an injury, and the provisions of these sub-sections shall apply to such service :

- (a.) A copy of the document served, with the date and mode of service endorsed thereon, shall, within three clear days next after the date of service, or such further time as may be allowed by the Registrar of the Court issuing such document, be delivered or transmitted to such Registrar by the applicant or his solicitor. Stay of proceedings in
other arbitration to
abide decision in selected

22. Where several requests for arbitration are filed by different applicants against the same respondent in respect of matters arising out of the same circumstances, the respondent may, on filing an undertaking to be bound, so far as his liability to pay compensation is concerned, by an award in such one of the said arbitrations as may be selected by the Judge, apply to a Judge for an order to stay proceedings in the arbitrations other than the one so selected, until an award is made in such selected arbitration.

Answer by Respondent.

23. If any respondent desires to disclaim any interest in the subject-matter of the arbitration, or considers that the applicant's particulars are in any respect inaccurate or incomplete, or desires to bring any fact or document to the notice of the arbitrator, or intends to rely on the fact that the notice of the accident was not served in accordance with section 3 of the Act, or that the claim for compensation was not made within the time limited by said section, or intends to deny (wholly or partially) his liability to pay compensation under the Act, he shall, ten clear days at least before the day fixed for proceeding with the arbitration, file with the Registrar an answer stating his name and address, and the name and address of his solicitor (if any), and stating that he disclaims any interest in the subject-matter of the arbitration, or stating in what respect the particulars are inaccurate or incomplete, or stating concisely any fact or document which he desires to bring to the notice of the Arbitrator, or on which he intends to rely, or the grounds on and extent to which he denies liability :

- (a.) Such respondent shall, with such answer, file copies thereof for the applicant and the Arbitrator, and one copy for each of the other respondents, and the Registrar shall, within twenty-four hours after receiving such copies, transmit the same by post to the applicant and the Arbitrator and the other respondents respectively :
- (b.) Subject to any answer so filed, and to the provisions of the next following paragraph, the applicant's particulars, and in the case of a claim for compensation, liability to pay compensation under the Act shall be taken to be admitted :
- (c.) Provided, that in case of non-compliance with this Rule, and of the applicants not consenting at the arbitration to permit a respondent to avail himself of any matter of which he should, pursuant to this Rule, have given notice by filing an answer, the Arbitrator may, on such terms as he shall think fit, either proceed with the arbitration and allow the respondent to avail himself of such matter, or adjourn the arbitration to enable the respondent to file such answer :
- (d.) The provisions of this Rule shall, with the necessary modifications, apply to a case in which a request for arbitration is filed by an employer, but a respondent who fails to file an answer shall not be taken to admit the truth of any statement in the applicant's particulars in which he denies (wholly or partially) his liability to pay compensation.

Answer where employer
is applicant.

Submission to Award or Payments into Court by Respondents.

24. Where a respondent from whom compensation is claimed admits liability, he may at any time before the day fixed for proceeding with the arbitration :—(1.) Where the application is made by an injured workman,

file with the Registrar a notice that the respondent submits to an award for the payment of a weekly sum, to be specified in such notice: (2.) Where the application is made on behalf of the dependants of a deceased workman, or for the settlement of the sum payable in respect of medical attendance on and the burial of a deceased workman who leaves no dependants, pay into Court such sum of money as the respondent considers sufficient to cover his liability in the circumstances of the case:

- (a.) The Registrar shall, within twenty-four hours from the time of any notice filed or payment made pursuant to the last preceding paragraph, send notice thereof (with, where a notice is filed, a copy of such notice) to the applicant, and to the other respondents (if any):
- (b.) If the applicant is a workman and elects to accept in satisfaction of his claim the weekly payments specified in the respondent's notice, he shall send to the Registrar and the respondent by post, or leave at the Registrar's office and at the residence or place of business of the respondent, a written notice stating such acceptance, within such reasonable time before the day fixed for proceeding with the arbitration as the time of filing of notice of submission by the respondent has permitted: Acceptance of weekly payments offered,
- (c.) If the application for arbitration is made on behalf of the dependants of a deceased workman, or for the settlement of the sum payable in respect of medical attendance and burial as aforesaid, and the applicant is willing to accept the sum paid into Court in satisfaction of the compensation payable to the dependants, or in respect of such medical attendance and burial (as the case may be), he shall send to the Registrar and to the respondent by post, or leave at the Registrar's office and at the residence or place of business of the respondent, a written notice of such willingness, within such reasonable time before the day fixed for proceeding with the arbitration as the time of payment into Court by the respondent has permitted. Acceptance of sum paid into Court.

If there are any other respondents the applicant shall in like manner give notice of such willingness to such respondents; and if any such respondents are willing to accept the sum paid into Court in satisfaction of such compensation as aforesaid, they shall in like manner give notice of such willingness to the Registrar and to the applicant and to the other respondents.

25. If the applicant is a workman and elects to accept in satisfaction of his claim the weekly payment submitted to by the respondent, or if in any other case the applicant and all the respondents give notice of their willingness to accept the sum paid into Court, the following provisions shall apply: Proceedings if weekly payment offered or sum paid in is accepted.

- (a.) Where the respondent submits to an award for the payment of a weekly sum, the Arbitrator may, on application made to him, forthwith make an award directing the payment of such weekly sum accordingly:
- (b.) Where the respondent has paid money into Court, further proceedings against such respondent shall be stayed, except as hereinafter mentioned; and (1.) If the applicant and the other respondents agree as to the apportionment and application of such sum, the Arbitrator may, on application made to him on behalf of or with the consent of all such parties, forthwith make an award for such apportionment and application; (2.) In any other case the Arbitrator may proceed as between the applicant and the other respondents:
- (c.) In any such case the Arbitrator may, in his discretion, by his award, order the respondent filing notice of submission to an award or paying money into Court to pay such costs as the applicant or other respondents, or any of them, may have properly incurred before the receipt of notice of submission to an award or payment into Court, including, if the Arbitrator, on consideration of the facts, shall so order, any items which might have been allowed by the order of the Arbitrator at the hearing of the arbitration. If the applicant or any respondent intends to apply for any such costs, he shall give notice of his intention in his notice of acceptance. Costs payable by respondent.

26. In default of notice of acceptance by the applicant and all the respondents, the arbitration may proceed; but if no greater weekly payment or compensation is awarded than that which the respondent has submitted to pay or has paid into Court, such respondent shall not be liable to pay any further costs than such as he might have been ordered to pay if the sum paid into Court, or the weekly payment offered, had been accepted; and the Arbitrator may order any costs incurred by such respondent after notice of Proceedings and costs if such weekly sum offered or sum paid in is not accepted.

submission to an award or payment into Court to be paid by any party who has not given notice of acceptance of such weekly payment or sum, and may order such costs to be set off against any costs payable to such party, or to be deducted from any weekly payment or compensation awarded to such party. The Arbitrator may also order any costs incurred after notice of payment into Court by any party who has given notice of acceptance to be paid by any other party who has not given such notice, and to be deducted from any compensation awarded to such last-mentioned party.

Submission to award where employer is applicant.

27. The provisions of the last three preceding Rules shall, with the necessary modifications, apply to a case in which an employer who has filed a request for arbitration admits liability to pay compensation.

Notice to Parties against whom Indemnity Claimed.

Notice of claim to indemnity.

28. Where a respondent claims to be entitled, under section 5 or section 7 of the Act, or otherwise, to indemnity over against any person not a party to the arbitration, he shall, five clear days before the day fixed for proceeding with the arbitration, file a notice of his claim according to the form in the appendix; and the Registrar shall seal such notice and deliver it to the respondent, who shall serve the same, together with a copy of the applicant's request and particulars, and of the notice served on the respondent under Rules 20 and 21, upon the person against whom such claim is made, and the provisions of Rule 21 shall apply to such service.

Default of appearance.

29. If any person served with a notice under the last preceding Rule (hereinafter called the third party) desires to dispute the applicant's claim in the arbitration, as against the respondent on whose behalf the notice has been given, he must appear before the Arbitrator on the day fixed for proceeding with the arbitration, or any day to which he may have received notice from the Registrar that the arbitration has been adjourned or postponed; and in default of his so doing he shall be deemed to admit the validity of any award made against such respondent, as to any matter which the Arbitrator has jurisdiction to decide in the arbitration, as between the applicant and the respondent, whether such award is made by consent or otherwise.

Application for directions.

30. The third party, or the respondent, may apply at or before the arbitration to the Arbitrator for directions; and the Arbitrator, on the hearing of the application may, if it shall appear desirable so to do, give the third party leave to resist the claim of the applicant against the respondent, upon such terms as may be just, or to appear at the arbitration and take such part therein as may be just, and generally may give such directions as he may think proper. If the third party obtains leave to resist the claim of the applicant against the respondent, the Arbitrator shall have the same power to award costs, as between the applicant and the third party, as he has to award costs between the applicant and the respondent.

Question as to liability of third party.

31. Nothing in these Rules shall empower the Arbitrator to decide (otherwise than by consent) any question as to the liability of such third party to indemnify the respondent, or to make any award in favour of the respondent against such third party, or to make any further or other order than that the third party shall not be entitled, in any future proceedings between the respondent and such third party, to dispute the validity of the award as to any matter which the Arbitrator has jurisdiction to decide in the arbitration, as between the applicant and the respondent: Provided that, with the consent of the respondent and the third party:

- (a.) If the arbitration results in an award in favour of the applicant, or is finally decided otherwise than by an award, and the third party admits his liability to indemnify the respondent, the Arbitrator may, on application made to him at or after the hearing of the arbitration or the final decision thereof, make such award as the nature of the case may require in favour of the respondent against the third party: Provided, that execution thereon shall not be issued without leave of the Arbitrator or Registrar until after satisfaction by the respondent of the award against him, or the amount recovered against him; or,
- (b.) The Arbitrator may, on an application for directions, order any questions as to the liability of the third party to make the indemnity claimed to be settled, as between the respondent and the third party, by arbitration after the arbitration between the applicant and the respondent, and may on such subsequent arbitration make such award as the nature of the case may require in favour of either party against the other:
- (c.) In any such case the arbitrator may decide all questions of costs as between the respondent and the third party, and may order either

of such parties to pay the costs of the other (including any costs payable by such party to any other party to the arbitration), or give such directions as to such costs as the justice of the case may require.

32. The provisions of Rules 28-31 shall, with the necessary modifications, apply to a case in which an employer who has filed a request for arbitration claims to be entitled to indemnity over against any person not a party to the arbitration. Third party procedure where employer is applicant.

33. Where a respondent claims to be entitled to indemnity against any other respondent, a like notice may be issued and the like procedure may be adopted, for the determination of the questions between the respondents as might be issued and adopted if such last-mentioned respondent were a third party: Provided that where both the undertakers, as defined by the Act, and a contractor with them are made respondents to an arbitration, and it is decided in such arbitration that the contractor is liable to pay compensation under the Act, the Arbitrator may, without any consent or admission of liability on the part of such contractor, make an award in accordance with paragraph 31 (a) in favour of the undertakers against the contractor: Claim to indemnity as between the respondents.

(a.) Nothing herein contained shall prejudice the rights of the applicant against the respondent.

Procedure on Arbitration.

34. Subject to the special provisions of these Rules, the procedure in an arbitration shall be the same as the procedure in an action commenced in the Supreme Court in the ordinary way and determined by a Judge without a jury, and the statutory provisions and rules for the time being in force relating to such actions shall, with the necessary modifications, apply to such arbitration accordingly; and in the application of such provisions and rules the applicant's request for arbitration shall be deemed to be a writ of summons with particulars annexed, the day fixed for the arbitration shall be deemed to be the return day, and the applicant and the respondents shall be deemed to be the plaintiff and defendants respectively:

(a.) Provided, that the burden of proof of any facts which are not admitted shall be the same, whoever the party may be by whom the request for arbitration is filed. Burden of proof.

Appointment of Medical Referees under Schedule 2, Paragraph 11.

35. Subject to and in accordance with any regulations made by the Lieutenant-Governor in Council under paragraph 11 of the Second Schedule of this Act, the Arbitrator may, at the hearing of an arbitration, appoint any legally qualified medical practitioner of the Province of British Columbia appointed by the Lieutenant-Governor in Council for the purpose of the Act, in these Rules called the Medical Referee, to report on any matter which seems material to any question arising in the arbitration:

(a.) When an appointment is made as aforesaid, the Arbitrator may, subject to and in accordance with such regulations, order the injured workman to submit himself for examination by the Medical Referee; and it shall be the duty of the workman, on being served with such order, to submit himself for examination accordingly.

Award.

36. The award of the Arbitrator under the arbitration shall be in writing, and shall be sealed, filed and served on all the persons affected thereby, and shall be enforceable in the same manner as a judgment or order of the County Court:

(a.) The Arbitrator shall have power at any time to correct any clerical mistake or error in such award arising from any accidental slip or omission.

Submission of Questions of Law by Arbitrator to a Judge.

37. Where an Arbitrator (whether agreed on by the parties or appointed by the Judge) submits any question of law for the decision of a Judge, under paragraph 4 of the Second Schedule to the Act, such submission shall be in the form of a special case.

38. Such case shall be intitled in the matter of the Act and of the arbitration, and shall be divided into paragraphs numbered consecutively, and shall state concisely such facts and documents as may be necessary to enable the Judge to decide the questions of law arising thereby. Upon the argument of such case the Judge and the parties shall be at liberty to refer to the contents of such documents; and the Judge shall be at liberty to draw Statement of case.

from the facts and documents stated in the case any inference, whether of fact or of law, which might have been drawn therefrom if proved at the hearing of the arbitration.

Fixing day for hearing.

39. Such case shall be signed by the Arbitrator and sent to the Registrar, who shall transmit the same to a Judge, and the Judge shall, as soon as conveniently may be, appoint a day and hour for hearing the case, and instruct the Registrar to give notice thereof forthwith to the parties. Such day shall be so fixed as to allow such notice to be given ten days at least before the day fixed for the hearing, unless the Judge shall, with the consent of all parties, fix an earlier day.

Copies of case.

40. The Registrar shall, on the application and at the cost of any party, furnish him with a copy of the case.

Power of Judge on hearing case.

41. On the hearing of the case the Judge shall, after deciding the questions submitted to him, remit the case, with a memorandum of such decision to the arbitrator, for him to proceed thereon in accordance with such decision. The Judge may remit the case to the Arbitrator for re-statement or further statement.

Costs of special case.

42. The costs attending any special case shall, subject to such regulations at the time in force under the Act, be in the discretion of such Judge, or he may direct that such costs shall be dealt with as costs attending the arbitration, and the provisions of these Rules and of the Act shall apply accordingly.

Subsequent Arbitration in matter already settled by Arbitrator.

43. Where an award has been made in any matter by an Arbitrator appointed by the Judge, any subsequent proceedings by way of arbitration in relation to any matter settled by such award shall be taken before the same Arbitrator, if his services are available for the purpose of such proceedings, unless the Judge shall otherwise direct.

Appearance of Parties in Arbitration.

44. A party to any arbitration under the Act may appear (1) in person; (2) by any solicitor who would be entitled to appear for such party in the Supreme Court; (3) by counsel or by leave of the Arbitrator a party may appear; (4) by a member of his family; (5) by a person in the permanent and exclusive employment of such party; (6) in the case of company or corporation, by any director of the company or corporation, or by the secretary or other officer in the permanent or exclusive employment of such company or corporation; (7) by any officer or member of any society or other body of persons of which such party is a member or with which he is connected; or (8) under special circumstances, by any other person.

(a.) No person other than a solicitor who appears or acts on behalf of any party in an arbitration under the Act shall be entitled to have or recover any fee or reward for so appearing or acting, other than such travelling expenses and (in the case of a workman or member of his family) allowance for time (if any) as shall be allowed by the Arbitrator: Provided that nothing in these Rules contained shall affect the right of counsel to appear or Act in any arbitration, or the right of any solicitor to recover costs in respect of his employment of counsel to appear or act as aforesaid.

Costs.

45. Any costs of and incidental to an arbitration and the proceedings connected therewith, directed by the Judge or an Arbitrator (whether agreed on by the parties or appointed by the Judge) to be paid by one party to another shall, in default of agreement between the parties as to the amount of such costs, be taxed according to the scale of costs applicable to actions in the Supreme Court, and the Statutes, provisions and rules for the time being in force as to the allowance and taxation of costs in such actions shall apply accordingly: Provided, however, that any costs incurred in enforcing a memorandum filed as a judgment of the County Court shall be taxed according to the provisions of the scale of costs applicable to the County Court.

46. The Arbitrator, in dealing with the question of costs, may take into consideration any offer of compensation proved to have been made on behalf of the employer.

47. Where any workman submits himself for examination to a Medical Referee, under paragraph 8 of the First Schedule to the Act, and the certificate of the Referee is used in any subsequent arbitration, any reasonable travelling and other expenses incurred by the workman in obtaining such certificate (if not otherwise provided for) may, by order of the Arbitrator, be allowed the costs in the arbitration.

48. Where a workman is ordered to submit himself for examination by a Medical Referee appointed to report under paragraph 11 of the Second Schedule of the Act, any reasonable expenses incurred by such workman in travelling to attend on such referee for examination may, by order of the Arbitrator, be allowed his costs in the arbitration.

49. Where any costs are awarded by an Arbitrator agreed on by the parties, it shall be the duty of the Registrar of the County Court in which a memorandum of a decision of the arbitration is recorded pursuant to paragraph 8 of the Second Schedule to the Act, on application made to him, to tax such costs and to enter in the register the amount of such costs allowed on taxation; and such entry shall be deemed to be part of such memorandum, and shall be enforceable accordingly. Taxation of costs.

50. Where any party to whom costs are awarded acts by a solicitor, such solicitor shall have the same authority to take out of Court or receive any sum paid into Court or payable in respect of such costs by the party against whom such costs are awarded as he would have if such costs were awarded in an action. Authority of solicitor to receive costs.

Duty of Judge as to Taking Notes.

51. At the hearing of any special case the Judge, at the request of any party, shall make a note of any question of law raised, and of the facts in evidence in relation thereto, and of his decision thereon; and he shall, at the expense of any party to such case, furnish a copy of the note so taken, or allow a copy of the same to be taken by or on behalf of such party, and shall sign such copy, whether a notice of motion by way of appeal has been served or not.

Appeals.

52. Appeals under paragraph 4 of the Second Schedule of the Act shall be had in accordance with the provisions of the Supreme Court relating thereto.

53. When the Court of Appeal has given judgment on any appeal, any party may deposit the order of the Court of Appeal, or an office copy thereof, with the Registrar; and the Registrar shall file such order or copy, and shall transmit a copy thereof to the Judge; and such order shall have the same effect as if it had been the decision of a Judge.

54. If such order directs or involves a re-hearing or further hearing of the special case, the Judge shall, as soon as conveniently may be, appoint a day and hour for such re-hearing or further hearing, and shall instruct the Registrar to give notice thereof forthwith to the parties.

55. Generally the Judge shall give such decision and give such directions, and take or direct to be taken such proceedings in the matter as may be necessary to give effect to the order of the Court of Appeal.

Memorandum under Schedule II., Part 8.

56. The memorandum as to any matter decided by a committee or by an Arbitrator, or by agreement, which is by paragraph 8 of the Second Schedule to the Act required to be sent to the Registrar of the County Court for the District in which any person entitled to such compensation resides shall be intituled in the matter of the Act, and shall be left at the office of such Registrar, or sent by post by registered letter addressed to such Registrar at his office, as soon as may be after the matter has been decided: Memorandum to be sent to Registrar.

(a.) Where the matter is decided after a Medical Referee has been appointed to report on any matter under paragraph 11 of the said Second Schedule, a copy of the report of such referee shall be annexed to the memorandum and recorded therewith; and if such referee attended any proceeding in the arbitration, it shall be so stated in the memorandum.

57. If the memorandum purports to be a memorandum of a decision of a committee or an Arbitrator, and to be signed by the chairman and secretary of the committee, or by the Arbitrator, the said County Court Registrar shall record the memorandum without further proof of its genuineness; and it shall be the duty of the committee or Arbitrator, as soon as may be after the decision, to draw up such memorandum, and to sign the same, or cause it to be signed as aforesaid, and to leave or send the same as aforesaid, or to deliver the same to some party interested, to be by him so left or sent.

58. If the memorandum purports to be a memorandum of a decision arrived at by agreement, then if such memorandum purports to be signed by or on behalf of all parties to such decision, the said County Court Registrar shall record it without further proof.

Inquiry as to genuineness.

59. If the memorandum purports to be signed by or on behalf of one or some only of the parties, the said County Court Registrar shall, before recording the same, send a copy thereof to the other parties affected, and request them to inform him whether the memorandum is genuine.

60. If all the parties admit the genuineness of the memorandum, or do not dispute it within a reasonable time, the said County Court Registrar shall record it without further proof.

61. If any party disputes the genuineness of the memorandum, the said County Court Registrar shall inform the party by whom it was left with or sent to him of such dispute, and that the memorandum will not be recorded except with the consent in writing of the party disputing the same or by order of a Judge.

62. If the consent mentioned in the last preceding Rule cannot be obtained, the party by whom the memorandum was left or sent may apply to a Judge to order the same to be recorded.

Proceedings for Record of Memorandum or Rectification of Register.

63. The following provisions shall apply to an application for an order that a memorandum be recorded or an application to a County Court Judge to rectify the register pursuant to paragraph 8 of the Second Schedule of the Act:

- (a.) The application shall be made in Court on notice in writing, stating the relief or order which the applicant claims:
- (b.) Such notice shall be filed with the County Court Registrar, and copies thereof shall be served—(1) in the case of an application for an order, that a memorandum be recorded, on the party disputing such memorandum; (2) in the case of an application to rectify the register, on every party who would be affected by such rectification, subject to the provisions of the Rules as to the parties to an arbitration, or on the solicitor of such party, ten clear days at least before the hearing of the application, unless the County Court Judge or County Court Registrar shall give leave for shorter notice:
- (c.) On hearing of the application, witnesses may be orally examined in the same manner as on the hearing of an action:
- (d.) On the hearing of the application, the County Court Judge may make such order or give such directions as may be just. The costs of any such application shall be in the discretion of the County Court Judge.

Costs of Solicitor or Agent under Second Schedule, Paragraph 10.

64. The following provisions shall apply to an application under paragraph 10 of the Second Schedule to the Act for the determination of the amount of costs to be paid to a solicitor or agent:—

- (a.) Such application may be made to the Arbitrator at or immediately after the hearing of the arbitration:
- (b.) On the hearing of any application under this Rule the Arbitrator may award costs to the solicitor or agent, and may make an order declaring such solicitor or agent to be entitled to recover such costs from the person for whom he acted, or to be entitled to a lien for such costs on any sum awarded as compensation to such person, or to be entitled to deduct such costs from any such sum, or may make such order or give such directions as may be just:
- (c.) Any costs awarded to a solicitor or agent on any such application shall, in default of agreement between the parties as to the amount of such costs, be taxed according to the scale applicable to actions in the Supreme Court.

Applications to determine costs to solicitor or agent.

Order declaring lien.

65. Where an order is made by an Arbitrator awarding costs to a solicitor or agent, and declaring such solicitor or agent to be entitled to recover such costs from the person for whom he acted, or to be entitled to a lien for such costs on any sum awarded as compensation to such person, or to be entitled to deduct such costs from any such sum, the following provisions shall apply:—

- (a.) The Registrar shall, on application made to him, tax such costs:
- (b.) A copy of the order, and, when the amount to which such solicitor or agent is entitled has been ascertained by taxation, a memorandum of such amount shall, at the request and cost of the solicitor or agent, be issued by the Registrar for service on the party liable to pay the sum awarded as compensation; and service thereof may be effected on such party in accordance with Rule 21:

- (c.) A memorandum of such order and, when such amount has been ascertained, a memorandum of such amount shall be recorded in the register in which the memorandum or award under which the sum awarded as compensation is payable is recorded, and such last-mentioned memorandum or award shall have effect subject to such order and memorandum :
- (d.) The party liable to pay such compensation shall, on demand, pay to the solicitor or agent the amount to which he is entitled, but so that such party shall not be liable to pay any amount in excess of that which he is liable to pay for compensation, or to pay such amount by any other instalments than those by which he is liable to pay such compensation :
- (e.) If the party liable to pay such compensation fails, on demand, to pay any amount which he is liable to pay to such solicitor or agent, the County Court Judge may, on application made to him, on notice to such party in accordance with Rule 63, and on proof of the order having been served on and demand for payment made to such party, order such party to pay such sum ; and in default of payment the Judge may order execution to issue to levy such amount :
- (f.) Payment made by or execution levied on the party liable to pay such compensation shall be a valid discharge to him, as against the party entitled to such compensation to the amount paid or levied :
- (g.) Where the sum awarded as compensation has been paid into Court, the amount to which the solicitor or agent is entitled shall be paid to him out of such sum.

Certificate under Section 2, sub-section (4).

66. Where an action is brought to recover damages independently of the Act for injury caused by any accident, and the Court proceeds under sub-section (4) of section 2 of the Act, the certificate given by the Court shall be according to the form in the Appendix.

67. The County Court Registrar shall, on receiving such certificate as in the last preceding Rule mentioned, record the same in like manner as if such certificate were a memorandum as to a matter decided by an Arbitrator sent to the County Court Registrar, pursuant to paragraph 8 of the Second Schedule to the Act.

Execution.

68. When a party liable to pay compensation or costs under any award, memorandum, or certificate, has made default in payment of the amount awarded, or, where payment is to be made by instalments, of any instalment, execution may issue against his goods without leave for the amount in payment of which he has made default :

- (a.) Where such sum is not payable into Court, the party applying for execution shall satisfy the County Court Registrar by affidavit or otherwise, as to the amount in payment of which default has been made.

Suspension of Proceedings, or Weekly Payments, on Refusal to Submit to Examination under paragraph 3, or paragraph 8 of First Schedule

69. In any case in which an arbitration is pending, or an award has been made, or a memorandum recorded, or a certificate given, and the employer or any person by whom the employer is entitled to be indemnified alleges that the workman who claims or has been awarded compensation refuses to submit himself for examination in accordance with paragraph 3, or paragraph 8 of the First Schedule to the Act, or obstructs such examination, such employer or other person may apply to a Judge or the Arbitrator to stay proceedings in the arbitration, or to suspend the weekly payments awarded until such examination has taken place. Such application shall be made in accordance with Rule 63, and the provisions of said Rule shall apply to such proceedings on such application, with the following modifications :

- (a.) The notice shall be served five clear days at least before the hearing of the application, unless the Judge or Registrar shall give leave for shorter notice ; and,
- (b.) Where the application is made after award, it shall in every case be made to a Judge.

Applications Against Insurers Under Section 6.

70. Where a workman claims to be entitled, under section 6 of the Act, to a charge on any sum to which any employer is entitled from insurers, such workman may lodge with the Registrar of the Court in which the memorandum or award or certificate under which the employer is liable to

pay compensation is recorded an affidavit made by the applicant or his solicitor, setting forth the circumstances in which the applicant claims to be entitled to such charge. Thereupon a summons calling upon the insurers to show cause why they should not pay into Court the sum to which the employer is entitled from them, or so much thereof as may be sufficient to satisfy the compensation which the employer is liable to pay the workman, shall be issued by the Registrar for service on the insurers.

Service of summons and procedure thereon.

71. Such summons shall be served in accordance with the provisions of Rule 21, and when so served shall bind in the hands of the insurers all sums due, owing or accruing from them to the employer in respect of the compensation which he is liable to pay to the workman under the memorandum or award or certificate; and, subject to these Rules, the procedure on such summons shall be the same as if the applicant had obtained a judgment or order for the payment of the money against the employer and the sum to which the employer is entitled from the insurers were a debt due, owing, or accruing from the insurers to the employer, and the applicant had issued a garnishee summons against the insurers.

Provisions for notice to employer or assignee.

72. It shall not be necessary in the first instance to give notice of the issue of the summons to the employer or his assignee (or, in the case of bankruptcy, to the Official Receiver or other trustee, or, in the case of liquidation of a company, to the provisional or other liquidator), but the Judge or Registrar may at any time direct such notice to be given; and thereupon the Registrar shall issue for service on the person to whom such notice is directed to be given a copy of the summons, together with a notice signed by the Registrar himself and under the seal of the Court, giving notice to such person as to the day on which he is to attend such Court, and that if he does not attend, either in person or by his solicitor, at the place and time mentioned in the notice, such order will be made and proceedings taken as the Judge may think fit; such summons and notice shall be served in accordance with the provisions of Rule 21.

Weekly payments.

73. Where the amount which the employer is liable to pay to a workman as compensation is a weekly payment, and such employer is entitled to a weekly payment of the same or any less amount from insurers in respect of such amount, the Judge may order the insurers to pay such weekly payment direct to the workman. In any such case the insurers shall have the same rights as the employer with respect to the review or redemption of such weekly amount.

Application against two or more sets of insurers.

74. Where an employer is entitled to separate sums from separate insurers in respect of the amount due to a workman, all or any two or more of such insurers may be made parties to one application.

Apportionment of sum payable by insurers.

75. Where it appears on any application under section 6 of the Act that the employer is liable to pay compensation in respect of more accidents than one, or to more workmen than one, either under one award or memorandum or certificate or under two or more separate awards or memorandums or certificates, and that such employer is entitled to any sum from insurers in respect of the amounts due under such liability; but such sum is not sufficient to satisfy the whole of the amount under such liability, and has not, as between the employer and the insurers, been apportioned between such amounts or appropriated exclusively to some only of such amounts, the Judge may order the insurers to pay such sum into Court, and may, after notice given to the persons entitled to compensation in such manner as the Judge shall direct, apportion such sum between the several persons entitled to compensation, in such manner as may be just. For the purpose of any such appointment, a Judge may order any weekly payment to be redeemed, and may appoint any one or more proper person or persons to represent any other persons having the same interest, and may direct any necessary inquiries or accounts to be made or taken, and generally may make such orders and give such directions, as to costs or otherwise, as may be just:

(a.) Where the employer is liable to pay compensation as aforesaid, under two or more separate awards or memorandums or certificates recorded in the Court, the Judge may, for the purposes of this Rule, order the proceedings under such awards or memorandums or certificates to be consolidated.

Payment and Application of Money directed to be Invested.

76. Where, pursuant to paragraphs 6 and 7 of the First Schedule to the Act, or pursuant to section 6 of the Act, any sum is agreed or is ordered by a committee or Arbitrator or by the Judge to be invested in the savings department in any chartered bank in Canada by the Registrar, in his name as Registrar, the following provisions shall apply:

- (a.) The Registrar of the Court in which the memorandum of the agreement, or of the order of the committee or Arbitrator under which such sum is to be invested is recorded, or in the case of an award made by an Arbitrator, or of an order made by the Judge under section 6 of the Act, the Registrar of the Court in which the award or order was made shall, on the memorandum or award or order being recorded, receive the sum to be invested from the party by whom the same is payable :
- (b.) Immediately on such sum being paid, or on payment thereof being enforced, the Registrar shall invest the same in accordance with the agreement, award or order, and shall record such payment and investment in the special register hereinafter mentioned :
- (c.) Any sum so paid and invested shall be paid out of Court or otherwise disposed of in accordance with the agreement, award or order under which the same is paid and invested, and, subject to the terms of such agreement, award or order, in such manner as the Judge from time to time shall direct, on application made to him.

Filing and Service of Documents and Notices.

77. Where any document is to be filed with the Registrar under these Rules, that document may be so filed by delivering it at the office of the Registrar, or by sending it by post addressed to the Registrar at his office.

78. Where any document is to be so filed, there shall be filed with the original document as many copies of the document as there are persons to whom copies of the document, or any part thereof, are to be sent by the Registrar, and, in addition, a copy for the use of the Arbitrator.

79. Where any document is, under these Rules, to be sent by the Registrar to any person, that document may be sent by post.

80. Any proceeding, document or notice which is, under these Rules, to be served on any party may be served on such party by the opposite party or his solicitor ; and where no special provision as to the mode of service is made by these Rules, any such proceeding, document or notice may be served on such party, or where he acts by a solicitor, on his solicitor, in the manner provided for by sub-sections (2) to (5) of section 3 of the Act, with reference to service of notice in respect of an injury. Provisions as to parties acting by solicitors.

Procedure Generally.

81. Where any matter or thing is not specially provided for under these Rules, the same procedure shall be followed and the same provisions shall apply, as far as practicable, as in a similar matter or thing under the Supreme Court Act and amending Acts, and the Rules made in pursuance of that Act.

Record of Proceedings—Special Register.

82. Proceedings under this Act before the Judge or Arbitrator appointed by him shall be recorded in the books of the Court in the manner in which other proceedings in the Court are recorded ; and the Registrar shall also keep a special register for the purposes of the Act, in which he shall record :—

- (a.) A memorandum of every application made to the Judge for the settlement of any matter by arbitration :

- (i.) A copy of every memorandum sent to the Registrar pursuant to paragraph 8 of the Second Schedule to the Act, and of the report (if any) of the Medical Referee annexed thereto, with a note stating whether such memorandum was recorded after inquiry, or by the order of a Judge .

- (j.) If such memorandum is recorded after inquiry, a memorandum of the inquiries made and of the result thereof:
- (k.) If such memorandum is recorded by an order of a Judge, a memorandum of the application to the Judge and of the order made thereon:
